

Remarks

No new matter has been added. The specification has been amended to replace the sequence listing, adding the sequences in Table III which contain 4 or more defined amino acids, and to add sequence identifiers for those sequences in Table III on page 98.

In accordance with 37 C.F.R. § 1.821(g), this submission includes no new matter.

In accordance with 37 C.F.R. § 1.821(f), the paper copy of the substitute Sequence Listing and the computer readable copy of the substitute Sequence Listing submitted herewith in the above application are the same.

It is respectfully believed that this application is now in condition for examination. Early notice to this effect is respectfully requested.

Respectfully submitted,.
